

Stay Secure...

Help us protect your financial information.

1. Check your statements frequently to ensure they match your recollection and your other records. If at any time you notice any discrepancies between your statements and your other records, please notify us immediately.
2. Never give out account numbers or other personal financial information, unless you can validate the authenticity of the requestor.
3. Always shred personal and financial information before discarding it.
4. Every year, review your credit report. You're entitled to a free credit report annually. Simply contact one of the three main credit-reporting bureaus:
